Honorable Judges and Clerks:

This is my response to the 294th District Court, after having sat since the November 14, 2001 aborted "trial" as I documented to you, suddenly springing alive on March 6, 2002, the exact same March 6, 2002 as you received my March 4, 2002 second open letter.

Some coincidence! Although I do not know exactly how you influenced the District Court, I am faced with the reality that you are more concerned with image than law and procedure.
